On-Time and Extended Graduation Rates - 2010, 2011, 2012, 2013 and 2014

This report summarizes graduation rates for Aurora Public Schools using the CDE's current graduation formula. In this formula students are assigned to a graduating class with an anticipated graduation date that is four years from the year the student entered ninth grade. On-time graduates are students who graduate during their anticipated graduation date; late graduates are students who graduate a year or more after their anticipated graduation date.
