Accountability/Commitment to Accomplishment

Our Vision

The District Accountability Advisory Committee supports teachers, parents, community members and school site accountability committees by holding accountable those responsible for achievement of standards and district goals which provide all students with the highest quality education.

The Aurora Public Schools District Accountability Advisory Committee meetings are held throughout the year at the APS Educational Services Center #1, Suite 112, 15701 E. 1st Avenue, Aurora, CO 80011. These meetings are open to the public. The official record of the board proceedings is retained in written minutes that are permanently stored and available for public inspection. Minutes for recent meetings and agendas of future meetings are available at <http://accountability.aurorak12.org/daac/>. Please contact the Department of Accountability and Data Reporting at 303-340-0861 for more information.

Every accountability program must...

- Recommend priorities for spending school district moneys;
- Submit recommendations concerning preparation and contents of the type of plan required by the district's accreditation category;
- Review charter school applications (or renewals) received by the local school board;
- Provide input and recommendations to principals concerning the development and use of assessment tools to measure and evaluate student academic growth;
- Assisting in implementation of the district's family engagement policy; and
- Assist school personnel to increase families' engagement with educators, including families' engagement in creating students' READ plans, Individual Career and Academic Plans, and plans to address habitual truancy.

An Accountability Committee is...

- A potential public relations firm.
- A group that makes suggestions to the Board of Education regarding budget expenditures.
- A group to review the school performance report and make suggestions as to how to improve the school rating.
- An advisory committee.
- A group to advise regarding school improvement plans.
- A group to advise regarding student achievement.
- A group that works with the school administration to improve efficiency and effectiveness.

Membership:

Each local school board is responsible for either appointing or creating a process for electing the members of a District Accountability Advisory Committee (DAAC). These committees consist of the following:

- School administrators from Aurora Public Schools;
- Teachers from Aurora Public Schools;
- Parents and/or Guardians of children attending Aurora Public Schools
- Students from the high school level attending the Aurora Public Schools; and
- At least one member from the community.
